SHOWCASE

4 July 2026 19h30 MPAA/Saint-Germain
Salle Jacques-Higelin, 4 rue Félicien 75006 Paris
Tickets available at atlantictheatrearts.com

About the Show

Take Me to the World is an original showcase conceived for the students of the Broadway Studio. Structured like a Chorus Line-style rehearsal that breaks open into storytelling, the piece follows a group of young performers as they ask questions about the nature of being an artist. Their journey of discovery explores passion, purpose, doubt, perspective, and momentum — told through songs drawn from across the musical theatre canon, woven together with original dialogue and selected scenes.

À propos du spectacle

Take Me to the World est un spectacle original conçu pour les étudiants du Broadway Studio. Structurée comme une répétition à la Chorus Line qui s'ouvre peu à peu sur la narration, la pièce suit un groupe de jeunes artistes qui s'interrogent sur la nature d'être artiste. Leur voyage de découverte explore la passion, la quête de sens, le doute, la perspective et l'élan — raconté à travers des chansons puisées dans tout le répertoire de la comédie musicale, tissées avec des dialogues originaux et des scènes choisies.
