

Soirée Sororité

An evening celebrating women's
courageous past & creative future through

Music, theatre, poetry

directed by Adam Alexander

Welcome to Soirée Sororité – A Cabaret of Courage, Creativity, and Celebration featuring music, poetry, and theatre spanning over 200 years.

This bilingual program offers works by Olympe de Gouges, Lauren Gunderson, Pauline Viardot, Rodgers & Hammerstein, Alan Menken, Maya Angelou, and more that have both responded to and shaped years of the fight for equality.

As the grand finale of our festival celebrating women throughout March, Soirée Sororité, we thank you for joining us in a tribute to the resilience, artistry, and power of women's voices.

Created in 2022 by Adam Alexander, Pauline Cluzeau and Lauren Van Kempen, Atlantic Theatre Arts was formed to promote and connect the Anglophone performing community in Paris.

To find out more information about participating, joining, or collaborating with ATA, please visit [our website](#).
